### **WORKFORCE SOLUTIONS FOR NORTH CENTRAL TEXAS NAMES MEDICAL SURGICAL AND COMPCARE – ENVIVA AS LOCAL EMPLOYER OF EXCELLENCE**

**ARLINGTON, Texas** – Medical Surgical and Compare-Enviva (MSAC-Enviva) has been named the Local Employer of Excellence by Workforce Solutions for North Central Texas (WSNCT). The company received this honor at WSNCT’s Annual Awards of Excellence event held on January 30, 2019 at the Ruthe Jackson Center in Grand Prairie, Texas.

The Award of Excellence recognizes the dedication and impact of those who work in, with and on behalf of the organization, including board members, workforce center staff, business partners, educational institutions and community organizations throughout the 14-county area served by WSNCT.

“MSAC-Enviva is truly an employer of the community,” said David Setzer, Executive Director of WSNCT. “Dr. Terry Williams and his staff are determined to help students and young adults realize their career potential, and partnering with us is a key component of that goal.”

MCAC-Enviva joined forces with Workforce Solutions for North Central Texas to interview and hire candidates for their open positions, and utilized the On-The-Job Training and Subsidized Work Experience Programs to hire and train staff for careers in the medical field. This directly contributes to WSNCT’s focus in Healthcare, which is one of nine Targeted Industries identified in the North Central Texas region.

In addition to supporting the local workforce, MSAC-Enviva supports law enforcement, first responders, local city government workers and school districts by reducing the costs of physical assessments and resources related to background checks and hiring. This employer fully believes in the value of partnership and has made a positive impact on its community and the entire region.
