### **Workforce Solutions for North Central Texas Received 2 Awards at Texas Workforce Conference in Houston, Texas**

Workforce Solutions for North Central Texas was honored to receive the Foster Youth Award for the second consecutive year during the 22nd Annual Texas Workforce Conference in Houston, Texas. “This was the second year the Texas Workforce Commission recognized a workforce board for outreach and recruitment efforts to foster youth,” said David Setzer, Executive Director. “In recognition of this award, we received \$30,000 to go towards additional foster youth initiatives in our region.”

In addition to the foster youth award, Workforce Solutions for North Central Texas was honored to receive the Texas Rising Star Quality Child Care Award at the Texas Workforce Commission Conference in the amount of \$75,000. This exemplary award honors Local Workforce Development Boards that have improved the quality of Child Care Services through the creation of exemplary projects that foster the implementation and growth of quality child care. “I am honored that Workforce Solutions for North Central Texas received this prestigious award,” said David Setzer, Executive Director.
